RE: **24TP041 – Rapid City Safe Streets and Roads for All Safety Action Plan Public Participation Plan**

Public input is vital to the Safe Streets and Roads for All Safety Action Plan in order to identify the most effective means of soliciting ideas and opinions from the general public, stakeholders, and member agencies as they relate to the transportation planning process. Several activities will be scheduled including both virtual and in-person.

The Public Participation Plan outlines the specific public input strategies that will be implemented as the Safe Streets and Roads for All Safety Action Plan progresses. These strategies include media/press releases, surveys, and public open houses, all of which are intended to actively solicit comments and engage the interests of the public throughout the participation process.

STAFF RECOMMENDATION: Staff recommends approval of the Rapid City Safe Streets and Roads for All Safety Action Plan Public Participation Plan.
